Value: Gentleness (15.5.17-26.5.17)

In school we have many school pets. We have chickens, a rabbit and guinea pigs. We even have a school pond where frog spawn grow!

Having animals in school helps give children the opportunities to be responsible and to develop compassion and gentleness with the animals. Children take an active part in looking after the animals.

Can you think of other ways that we can show gentleness to each other?

Colossians 1:16

For by him all things were created, in heaven and on earth, visible and invisible, whether thrones or dominions or rulers or authorities—all things were created through him and for him.
