Value: Belonging

At Allerton CE Primary School we learn about core values that help us to become well-rounded citizens in society. From Monday 12th September until Friday 23rd September we will be looking at the value of 'belonging'. We will be thinking about what 'belonging' means as a value and how we can feel a sense of community in our school and outside the school gates!

Home Challenge: Talk about 'belonging' together...

Why do schools in the UK have a school uniform? How does this help foster a sense of belonging?

Look at our school logo, what does it mean to you?

In our school, we are excited about learning. We are a peaceful, caring and friendly family, where we respect all backgrounds and faiths.

I am part of a happy and safe school which gives everyone the confidence to be more independent. I will do my best, be forgiving and respect the views of others.

Make a picture! Draw a picture on an A4 piece of paper showing all the different things that you are a part of e.g. clubs, church, mosque, family...

In the absence of love and belonging there will always be suffering (Brene Brown). What can you do in your daily school life to include others?

How does this value link to the British Values in our school?

- We all have the opportunity to be a part of school clubs during our time at ACE
- We may represent our school at sports events e.g. football or singing events e.g. Young Voices
- We are all part of a house and represent our house at house events

Can you think of any other ways?

B Accept one
I another, then, **L**
B just as Christ **I**
L accepted you, **N**
E in order to **K**
E bring praise **K**
E to God
E (Romans 15: 7)
