

OUR COMMUNITY PROJECT

The Our Community Project is a project being run over the summer from July until September, based on the Lingfield, Fir Trees and Cranmer Bank. It is a celebration of this area and will bring the community together.

We have some exciting projects running and would like people from the community to get involved and celebrate all of the talents and community spirit this area has to offer!

Venue details:

Lingfield Living Local Community Hub, 83 Lingfield Drive, LS17 7HF
The Lingfield Centre, Lingfield Drive.
MAEcare, 57 Cranmer Bank

Lingfield and Fir Trees In Bloom with The Challenge NCS group. Starting on Sunday 23rd July. Lingfield Drive.

An exciting new gardening project, choosing areas that could do with a tidy up, planting flowers and working with The Challenge - a youth programme that will be bringing young people into the area to tidy up the roundabout on Lingfield Drive. They will be working to fundraise for the project in the week before, then coming along and working on the roundabout all day to give it a new fresh look!

Zest School Uniform Swap Shop, Bazaar and Retro Fair Sunday 30th July 2-5pm. Lingfield Community Hub

A school uniform swap and share day! Bring your kids old school uniform, either sell them for a small amount or swap with another parent for one that fits, ready for the new school term in September. Allerton High, Allerton C of E, Moortown Primary, Alwoodley Primary and Roundhay School. Face painting, henna tattoos, cakes (with a twist!), tom bola, games and a raffle. We will need people to plan, run and promote each of these events - making posters, telling local people and baking!
