Dear Parents and Carers,

### **Polite Reminder Re: Car Parking/illegal Parking**

Whilst we appreciate that pick-up and drop-off times are very busy times of the day. It has been brought to our attention by Allerton C of E primary school and local residents that some parents/carers are still parking their vehicles inconsiderately.

Vehicles should **not** be left on the zig-zags or the double yellow lines outside of school. This includes parking on single yellow lines in between the times stated, or in front of private driveways, blocking access for residents.

Some vehicles are also being parked on junctions which is hazardous for the pupils crossing, as they can neither see nor be seen by other traffic.

We will be patrolling the area more frequently and any vehicle that is seen to be in violation will be issued with a Fixed Penalty Notice for failing to comply.

Thank you for your understanding and co-operation in this matter.
